Circuit Breaker Tax Relief

for
**Massachusetts
Senior Citizens**

Brought to you by
Senator Ben Downing

January 2014

Dear Friend,

As the State Senator representing the Berkshire, Hampshire, Franklin &

Hampden District, I am pleased to call to your attention a tax credit program designed for Massachusetts seniors, aged 65 and older, called “**The Circuit Breaker.**”

The Circuit Breaker is an income tax credit designed by the Legislature with the hope of alleviating some of the burdens that property taxes can create.

In this brochure you will find information to help you determine your eligibility. However, this is *not* an official tax document, and I encourage you to consult with a tax professional with your specific tax questions.

Should you have any general questions on this matter, please feel free to contact me .

WHAT IS THE CIRCUIT BREAKER?

It’s called the Circuit Breaker Tax Credit because it’s “triggered,” like an electrical circuit breaker when property payments exceed 10% of a senior citizen’s annual income.

Those who qualify will still be required to pay property taxes to their local communities.

Seniors will receive a dollar credit on their Massachusetts state income taxes for every dollar that the total of their property tax, water and sewer bills exceed 10% of their income, up to the \$1,030 maximum in tax year 2013.

IS THERE A SPECIAL APPLICATION?

If qualified, you can claim the credit by submitting a completed Schedule CB, Circuit Breaker Credit, with your 2013 state income tax return.

Eligible seniors must file a return and claim a refund even if they do not owe taxes.

WHO IS ELIGIBLE?

Massachusetts residents who:

- Are age 65 or older before January 1, 2014 (for joint filers, it is sufficient if one taxpayer is 65 years of age or older).
- Own or rent residential property in Massachusetts and occupy the property as primary residence.
- Have an annual income of \$55,000 or less for a single filer; \$69,000 or less for a head of household; or \$82,000 or less for joint filers.

WHO IS NOT ELIGIBLE?

- Married persons who do not file jointly for this credit.
- Those who are a dependent of another tax filer.
- Those who receive federal or state rent subsidy directly; or those who live in a property-tax exempt facility.
- Those whose property is assessed at a value of \$700,000 or more.

For your convenience, the worksheet on the following page is provided to give an idea of what your tax credit might be.
